dispatched to the intersection of Quincy Street and Monroe Place in the City and County of Twin Falls, State of Idaho, in reference to citizens locating the male subject. The male subject was identified as Jonathon Thorne. I asked Mr. Thorne what was going on tonight, as he told me he had huffed a can of dust off and doesn't recall what had happened. Mr. Thorne stated he had stolen a can of dust off from Fred Meyer's, and walked to Harrison Elementary, where he took a 30 second to a 1 minute hit off the dust off can and blacked out. Mr. Thorne stated he remembers getting up after blacking out and approaching the kids at the school, but doesn't recall what he said to them. Mr. Thorne stated he continued to walk and huff the dust off can, and discarded the can in a garbage receptacle in the 600 block of Quincy Street. Officers retrieved the can and brought it back to Mr. Thorne who identified it as the can that he had huffed. Mr. Thorne stated he has been huffing since he was 13 years old. I asked Mr. Thorne to describe the high that he gets from huffing. Mr. Thorne described it to alter his mind and make him light headed. Mr. Thorne was placed into custody for inhalation of intoxicants. Mr. Thorne was transported to the Twin Falls County Criminal Justice Facility, where he was booked for inhalation of intoxicants and left with jail staff.
